

Titel of lecture: Bachelor thesis & complementary seminar

ECTS Credits: 7 ECTS

Degree Programme:	BSc Physiotherapy
Semester:	5
Teaching Units:	2 teaching units
Description:	Students formulate a scientific question concerning physiotherapy and conduct an according research process. Apart from documenting and reflecting the results of their respective research, students also have to critically reflect scientific literature and represent articles as part of a poster walk / conference presentation.
Assessment:	The assessment of this lecture consists of the grading of the respective bachelor theses. For the poster walk / conference presentations, no grading will take place, but qualitative feedback will be provided both by peers and the main lecturer for the course.
Academic Contact:	Philipp Greimel, International Coordinator, Department of Health
Administrative Contact:	<u>Claudia Grötzl</u> , Staff Mobility Coordinator, International Office
Notes:	Prerequisites for Erasmus funding for your stay: • Currently valid partnership agreement (Inter-Institutional Agreement) • At least 8 teaching units • At least 2 full days spent at USTP • Ukraine: at least 5 days spent at USTP
